

CONFLICT OF INTEREST CODE OF HIGH TECH INTERNATIONAL

Standard Code of FPPC

The Political Reform Act of 1974 (Government Code § 81000 *et seq.*) requires each state and local government agency to adopt and promulgate a conflict of interest code. As a local government agency, High Tech International, a California Charter School, is therefore required to adopt such a code. The Fair Political Practices Commission ("FPPC") has adopted a regulation (2 Cal. Code of Regs. § 18730) which contains the terms of a model conflict of interest code, which can be incorporated by reference as an agency's code. After public notice and hearing, the regulation may be amended by the FPPC to conform to amendments in the Political Reform Act.

Adoption of Standard Code of FPPC

The terms of 2 California Code of Regulations Section 18730 and any future amendments to it duly adopted by the FPPC are hereby adopted and incorporated herein by reference. This regulation and the Appendix attached hereto designating officials and employees and establishing disclosure categories shall constitute the Conflict of Interest Code of High Tech International. This code shall take effect when approved by the Board of Supervisors for the County of San Diego.

Filing of Statements of Economic Interests

Pursuant to Section 4 of the model code set forth in 2 California Code of Regulations section 18370(b), designated employees set forth in the Appendix shall file statements of economic interests (Form 700) with the Secretary of High Tech International. Upon receipt of the statements of the members of the Board of Directors of the School and the Chief Executive Officer, the Secretary shall make and retain copies and forward the originals of these statements to the Clerk of the Board of Supervisors for the County of San Diego. Statements for all other designated employees shall be retained by the Secretary.

APPROVED AND ADOPTED by the Board of Directors of the High Tech International Charter School on March 25, 2004.

**APPENDIX TO
CONFLICT OF INTEREST CODE
OF
HIGH TECH INTERNATIONAL**

Preamble

Any person designated in Section I of this Appendix who is unsure of any right or obligation arising under this Code may request a formal opinion or letter of advice from the FPPC or an opinion from the Authority's General Counsel. (Gov. Code § 83114, 2 Cal. Code of Regs. § 18730(b)(ii) A person who acts in good faith in reliance on an opinion issued to him or her by the FPPC shall not be subject to criminal or civil penalties for so acting, provided that all material facts are stated in the opinion request. (Gov. Code § 83114(a).)

Opinions rendered by General Counsel do not provide any statutory defense to an alleged violation of conflict of interest statutes or regulations. The prosecuting agency may, but is not required to, consider a requesting party's reliance on General Counsel's opinion as evidence of good faith. In addition, High Tech International may consider whether such reliance should constitute a mitigating factor to any disciplinary action that High Tech International may bring against the requesting party under Government Code section 91003.5.
